  - Open for suggestion on usability and ease of access
- **TC e-Letter**
  - 2020 first issue released.
  - 2020 second issue to be released in November.
    - Contributions welcome!
Liaisons – Standardization Activities

*Liaison: Abd-Elhamid M. Taha*

- Presented overview on TC and its interest on ComSoc SDB meeting on their August 30, 2019 meeting
- Interest in TC solicited on October 18, 2019
- Contribution/participation possibilities
  - Contributing to a ComSoc SDB WG
  - Championing an SI in the CommMag standardization series
  - Occasional funding availability for standards-related research/investigations.

- Currently following up and coordinating on interest expressed by members
Special Interest Groups (SIGs)

- The VP on Technical Committee confirmed the need that each TC has SIGs.
- More precisely, TCB P&Ps states “Special Interest Groups (SIGs) help the TC foster the scientific and technological development in topical emerging technologies within the scope of the TC. SIGs may be created to promote activities in well-established technologies.”
CommSoft TC SIGs

Coordinator – Marwane Ayaida

- Special Interest Group on “Communication softwares for Vehicular AdHoc Networks”
  - Coordinator: Prof. Hacene Fouchal (Hacene.Fouchal@univ-reims.fr)

- Special Interest Group on “NFV and SDN technologies”
  - Coordinator: Looking for a new coordinator

- Special Interest Group on “Security in Software Communication”
  - Coordinator: Dr. Y. Saaverda & Prof. Jalel Ben-Othman (jbo@univ-paris13.fr)

- Special Interest Group on “Big Data and Communication software”
  - Coordinator: Dr. Hassine Mounqla (hassine.mounqla@parisdescartes.fr)

- Special Interest Group on “Performances Evaluation”
  - Coordinator: Dr. Abdellatif Kobbane (abdellatif.kobbane@um5.ac.ma)

- Special Interest Group on “ML and AI for Networking”
  - Coordinator: Dr. Melike Erol-Kantarci (Melike.erolkantarci@uottawa.ca)
SIG on Vehicular AdHoc Networks activities

*Head: Hacene Fouchal*

- Special Issue on 5G and intelligent vehicles in IEEE Networks

- An European PKI for connected vehicles has been launched in June 2020

- Volgswagen has produced a common Connected vehicle (Golf 8) through the protocol ITS-G5
SIG on Security

Head: Y. Saaverda & J. Ben-Othman
SIG on Big Data and Communication software

Coordinator – Hassine Mounfgla
SIG on Performances Evaluation

*Head: Abdellatif Kobbane*

- **TPC Chair** AHSN-ICC 2020
- **TPC Chair** AdhocNet 2020
- **General Co-Chair** WINCOM2020
- **Keynote**: JSN-Faculty of Sciences Aljadida initially scheduled for April will be scheduled later (due to COVID19)

- We need to put more efforts to increase the submission number, otherwise the symposium will be downgraded to a special track.
TC Endorsed Conferences

- CommSoft TC is seeking highly motivated candidates to be nominated as symposium chairs for CSSSMA and NGNI.
- The TC has one chair for CSSMA, and may nominate one chair for the NGNI symposium.
- Current open calls for nominations:
  - GC 22 (Rio de Janeiro, Brazil)
  - ICC 23 (Rome, Italy)
Open Call for Participation

*Things to consider ...*

- Contribute to the e-Letter
- Champion or contribute to an SI
- Be involved in SIG activities
- Contribute to standardization activities
- Be a liaison
- Be a distinguished lecture
- Advocate and share CommSoft activities
- Publicize TC-sponsored venues
Other Business

- Call for nomination
  - Best Paper Award on topics related to the TCS
  - Achievement Award
  - Winner announced in GC’20
  - Details will be sent by email in the following days
  - Committee:
    - BPA, officers
    - Achievement award, officers and two previous chairs

- Election for the secretary position, announce for nomination will be sent via the ML
